*Think Always

I am music!
I feel, breathe, and live music.

What is music to you?

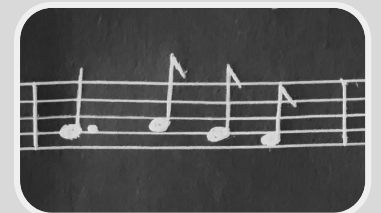

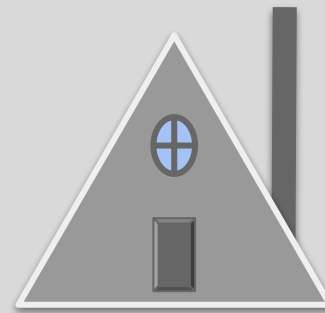

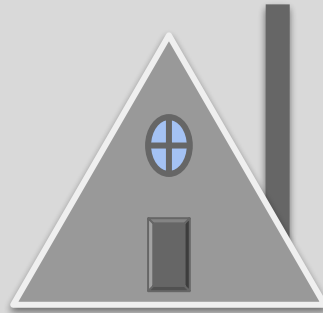

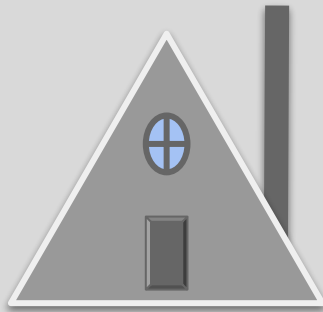

I like music!

It is a thing I make part of my day.

How is music a part of your day?

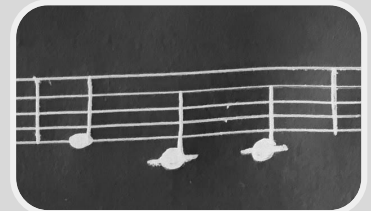

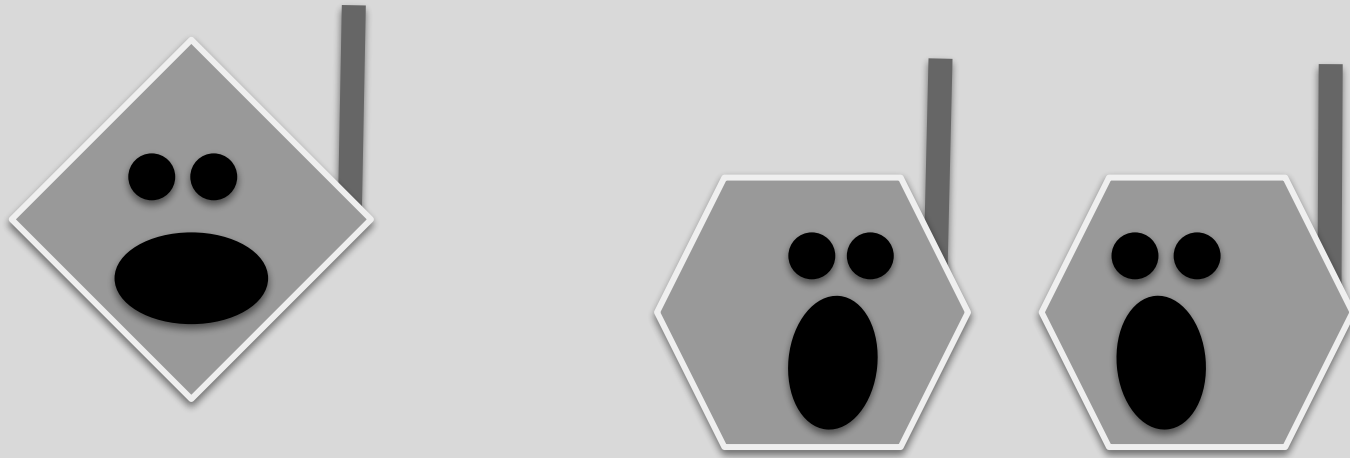

I play music!

It is a thing I like to play.

When do you play music?

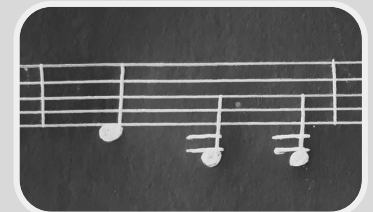

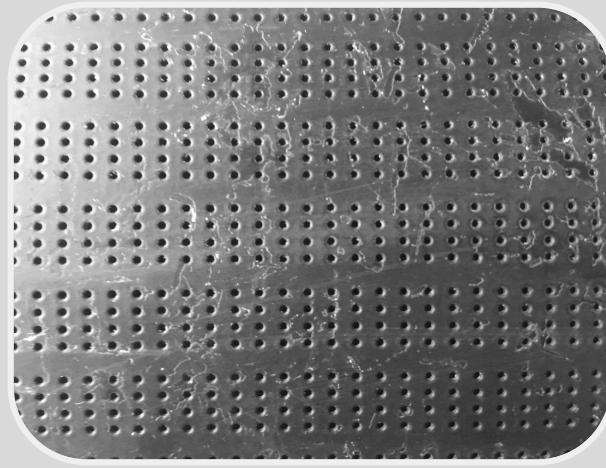

I make music!

It is a thing I like to make.

Where do you make music?

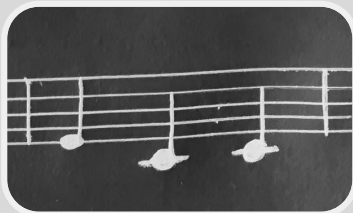

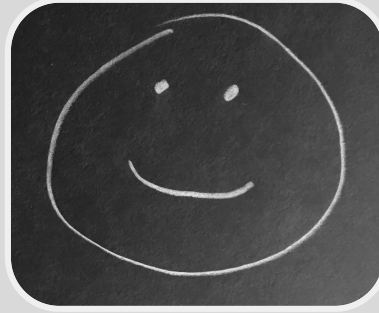

I explore music!

I can explore all kinds of music.

How do you explore music?

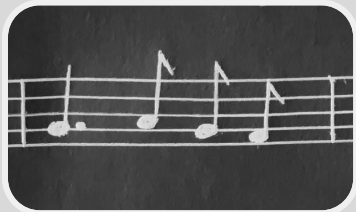

I discover music!

I can discover new and old music.

Where do you discover music?

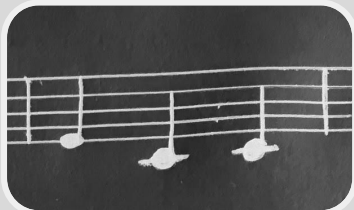

I learn music!

I can learn all kinds of music.

When do you learn about music?

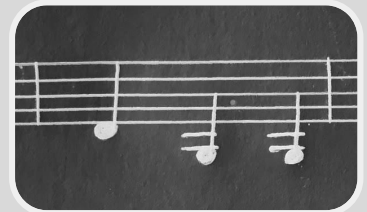

I hear music!

I hear music and learn music.

Where do you hear music?

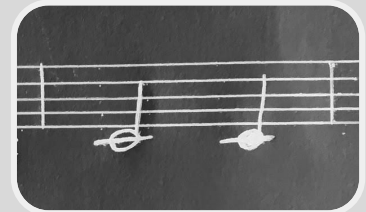

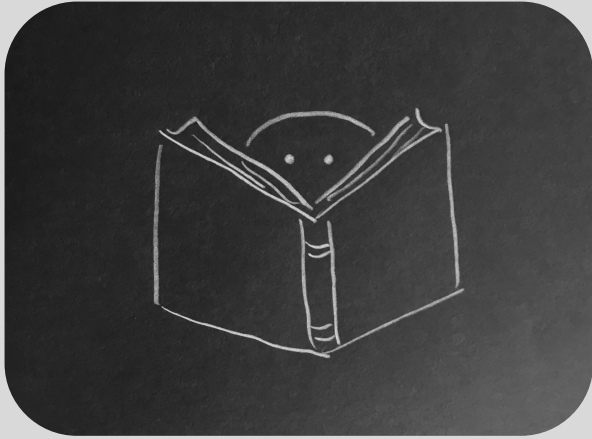

I write music!

I write music and make music.

How do you write music?

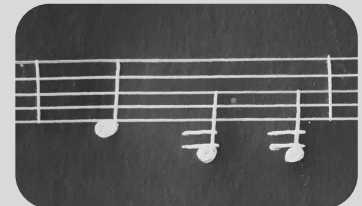

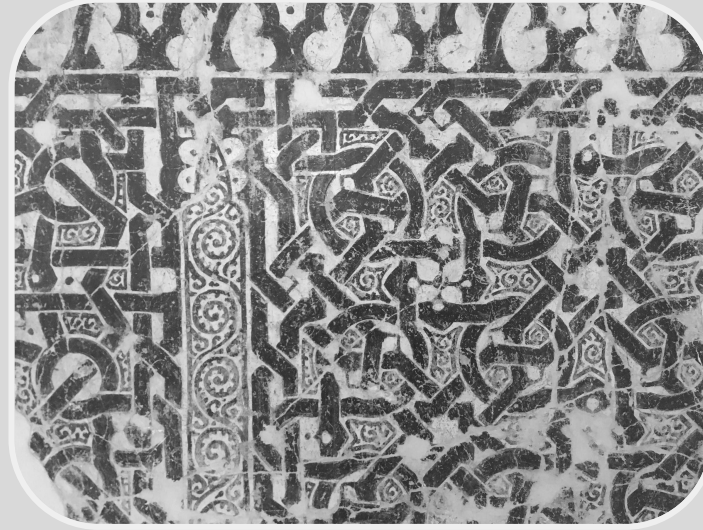

I read music!

I read music and play music.

Where do you read music?

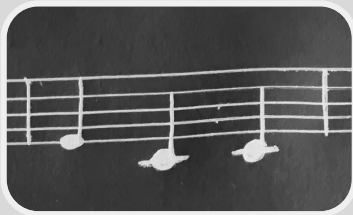

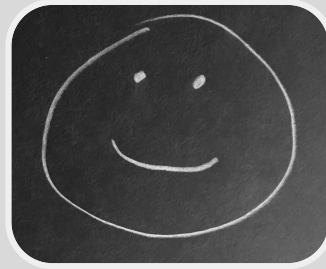

I see music!

I can see music everywhere.

Can you see music?

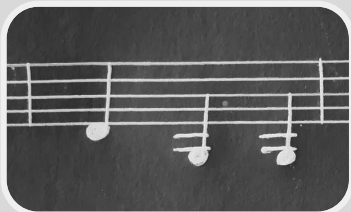

I think music!

I think about music everywhere.

Do you think about music?

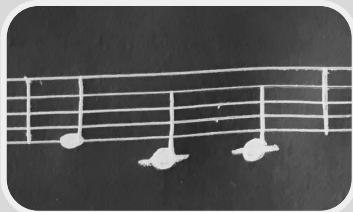

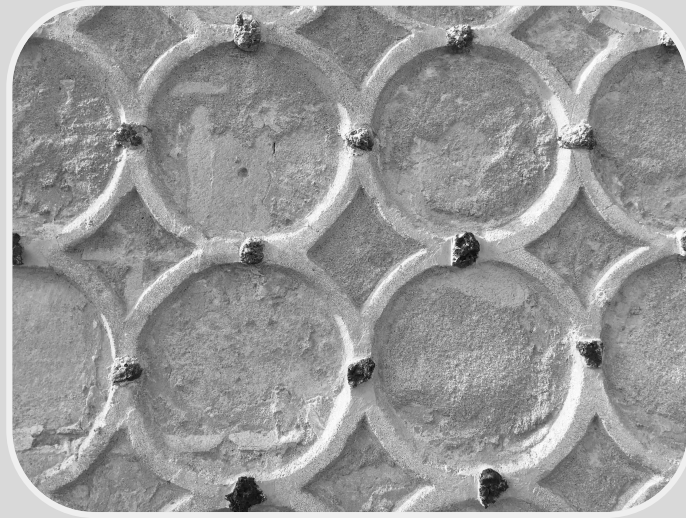

I dream music!

I dream about music everywhere.

Do you dream about music?

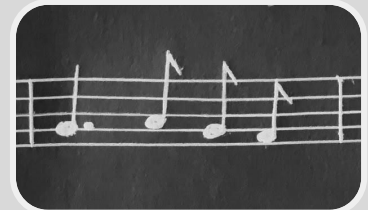

I feel music!

I can sense it all around.

What do you feel all around?

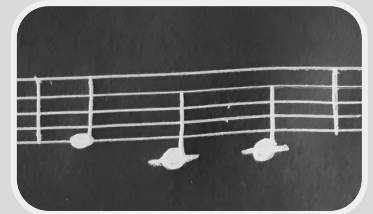

I breathe music!

It is a thing I need to have.

What do you need to breathe?

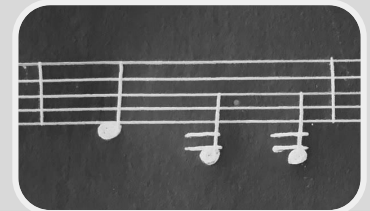

I live music!

I will always have it in my life.

What do you want in your life?

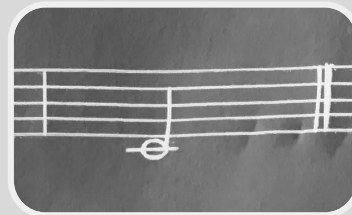

I am music!

I feel, breathe, and live music.

What are you?

The End
